Did you know that plastics account for **80% of all ocean pollution**? This is one of the most pressing challenges facing the ocean. Plastics pose a huge threat to the ocean ecosystem because they do not biodegrade. Instead, they continue to break into smaller and smaller pieces, which litter the ocean and its beaches.

Organised by *From the Bow Seat*, this year's contest asks you to explore the theme "**Ocean Pollution: Challenges & Solutions**", and it challenges you to make viewers reflect on the impact of ocean pollution, inspire them to consider possible solutions, and challenge them to take action.

There are four categories:

- **Art**
- **Poetry**
- **Prose**
- **Film**

An individual or group (*ranging from two people to an entire class of students*) may submit art. Each Individual or Group who submits to the contest must have one or more adult sponsors (*usually, sponsors are teachers, a parent, or a mentor*).

There is no entry fee.

Eligibility

Open to any student worldwide in **6th-8th grade** or **9th-12th grade** (*or International or Homeschool Equivalent*).

- 1st place receives up to **1,500 USD** and up to **1,500 USD** for their school
- 2nd place receives up to **1,000 USD**
