VIEW Conference, the premiere international event in *Italy* on Computer Graphics, Interactive Techniques, Digital Cinema, 2D/3D Animation, Gaming and VFX, is now calling for entries for the **VIEW Award 2015 Competition**.

After the international success of the past editions, the *2015* contest is ready to widen its scope with new themes, new subjects and new contestants. As the last few years, *VIEW* will include both students and non-students works.

There are three categories:

• **Animation**
• **Documentary**
• **Experimental**

All entries must have been completed from *2014* to *2015* to be eligible. Duration: maximum length is **30 minutes**. Both individual and group projects are accepted.

There is a 10 euro fee if you submit via *festhome* (*this is the easiest way to submit*), otherwise you can submit by sending your physical video for free.

Eligibility
Any animated short from all over the world with 2D/3D animation and VFX, that is from 2014 to 2015, is eligible.

Prize
Winners will receive prizes in **cash**, **technology** and **paid internships**.

The *16th International Computer Graphics Conference* - View Conference - is scheduled for *19-23 October 2015* in **Turin**, Italy.
