

# VIEW Award 2015 Computer Graphics Competition

Category: [Multiple Disciplines](#)

Deadline: September 15, 2015

Website: <https://bit.ly/3qiYBuN>

*VIEW Conference*, the premiere international event in *Italy* on Computer Graphics, Interactive Techniques, Digital Cinema, 2D/3D Animation, Gaming and VFX, is now calling for entries for the **VIEW Award 2015 Competition**.

After the international success of the past editions, the *2015* contest is ready to widen its scope with new themes, new subjects and new contestants. As the last few years, *VIEW* will include both students and non-students works.

There are three categories:

â€¢ **Animation**

â€¢ **Documentary**

â€¢ **Experimental**

All entries must have been completed from *2014* to *2015* to be eligible. Duration: maximum length is **30 minutes**. Both individual and group projects are accepted.

There is a 10 euro fee if you submit via *festhome* (*this is the easiest way to submit*), otherwise you can submit by sending your physical video for free.

## Eligibility

Any animated short from all over the world with 2D/3D animation and VFX, that is from 2014 to 2015, is eligible.

## Prize

Winners will receive prizes in **cash**, **technology** and **paid internships**.

The *16th International Computer Graphics Conference - View Conference* - is scheduled for *19-23 October 2015* in **Turin, Italy**.
